Cut out the Fabric

Draw the patterns directly onto the wrong side of a single layer of fabric. Because there is a right and left shoe you will need to reverse the sole pattern when tracing. Make sure the right and left pieces are separated to avoid confusion when attaching the soles. Cut out the exterior, lining, and interfacing. Fuse the interfacing on the wrong side of the lining following the manufacturer's guide.

Make the Strap and Ruffle

Picture 1

Fold the one side of strap 1/4" in lengthwise and press.

Picture 2

Fold the other side of strap 1/4" and press again.

Picture 3

Place the ruffle pieces right sides together. Pin and stitch together, leaving the bottom edge unstitched. Backstitch on both ends.

Picture 4

Clip the corner seams.

Picture 5
Trim the curved seam.

Picture 6
Turn the ruffle piece right side out and press. Repeat this process the other ruffle pieces.

Sew the Ruffle

Picture 7
Place the ruffle onto the upper pieces. Pin and baste the raw seam of the frill onto the top of the upper.

Picture 8
Running stitch the ruffle. Then pull the ruffle to be about 3 1/2" long.

Picture 9
Pin the ruffle onto the upper piece. Baste the two together.

Picture 10
Place the strap piece onto the upper piece as indicated on the pattern. Topstitch 1/8" away from the edges of the strap. Backstitch on both ends.

Make the Upper

Picture 11

Fold the exterior upper pieces in half lengthwise with right sides together. Pin and sew the heels. Press the heel seams open. Sew the lining upper pieces in the same manner.

Picture 12

Place the exterior upper piece on the lining upper piece with right sides together.

Picture 13

Pin the both upper pieces. Sew the two pieces together by sewing around the center hole in an oval shape. Do not sew the ruffle.

Picture 14

Clip the curved seam.

Picture 15

Turn it right side out and iron the assembled upper.

Picture 16

Sew the elastic band line as indicated on the pattern.

Picture 17

Cut out the elastic band according to the given length. Add a safety pin on the end.

Picture 18

Insert the elastic band into the heel strap opening

Picture 19
Sew the one end of the elastic band.

Picture 20
Pull it out through the other end of the heel strap opening so that it creates a frill. Sew the other end of the elastic band. Cut the leftover elastic band.

Assemble the Upper and Sole Lining

Picture 21
Place the lining upper piece and the lining sole with right sides together.

Picture 22
Match their center points. Pin the toe and heel.

Picture 23
Then, pin around the rest of the sole, clipping the heel seam as needed. Sew around the sole. Repeat for the other shoe.

Picture 24
Attach the exterior sole piece and the upper piece facing on the right side.

Picture 25
Match their center points. Pin the toe and heel. Then, pin around the rest of the sole, clipping the heel seam as needed.

Picture 26
Sew around the sole, leaving a gap for turning. Make sure all the layers are included and backstitch on both ends.

Picture 27
Trim the seams. Turn the shoe right side out.

Picture 28
Pin and sew the opening. Backstitch both ends. Attach the ribbon on top of the strap. **See Appendix A. Make the ribbon.** Make the other shoe in the same manner.

Appendix A. Make the ribbon

Picture(Appendix) 1
Fold and press the ribbon piece in half lengthwise with wrong sides together. Open the ribbon piece and fold each side of it in half.

Picture(Appendix) 2
Fold and press along the center crease again with the sides tucked in. Topstitch 1/8" away from the seam.

Picture(Appendix) 3
Fold the ribbon in half and stitch as shown in Picture 3.

Picture(Appendix) 4
Make the bow piece in the same manner as the ribbon piece. Then fold the bow piece around the middle of the ribbon piece. Stitch from the backside of the ribbon piece. See Picture 4. Cut the remainder of the bow piece.
