Tamanho: P
Consumo:
1m para a blusa

3m para a saia

3m para o saiote

Costura:

No decote e na manga aplicar um elásticoquinho chato de 7mm e a tira do babado por cima franzida no meio, colocar as alças, babado godê em bico na manga e zíper invisível no meio das costas.

Na saia colocar o zíper na pala das costas e dar acabamento com revel na cintura, aplicar o godê.

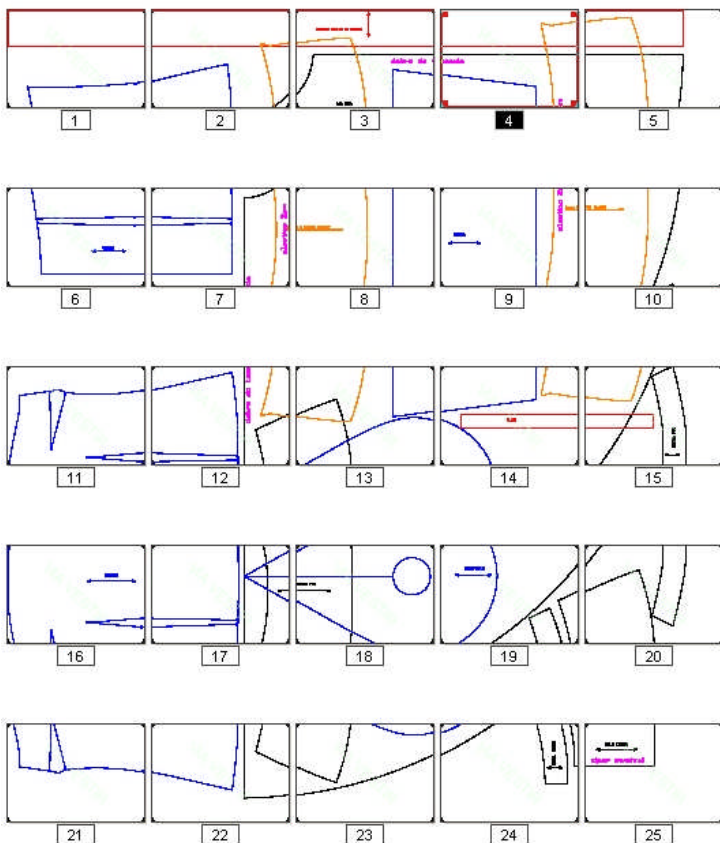

No saiote, usar a pala preparada para receber o elástico de 2cmx70cm, o mesmo godê e uma rendinha da mesma côr em toda a barra.

Folhas dos moldes.

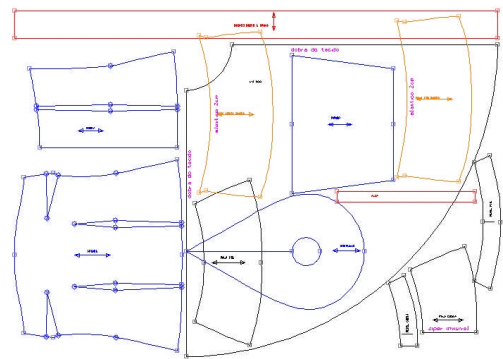

Como imprimir:

Para o tamanho P serão necessário 28 folhas de sulfite, sendo 3 de explicações e 25 de moldes. Unir as folhas conforme as marcações.

Só imprima o que for necessário, evite desperdício.

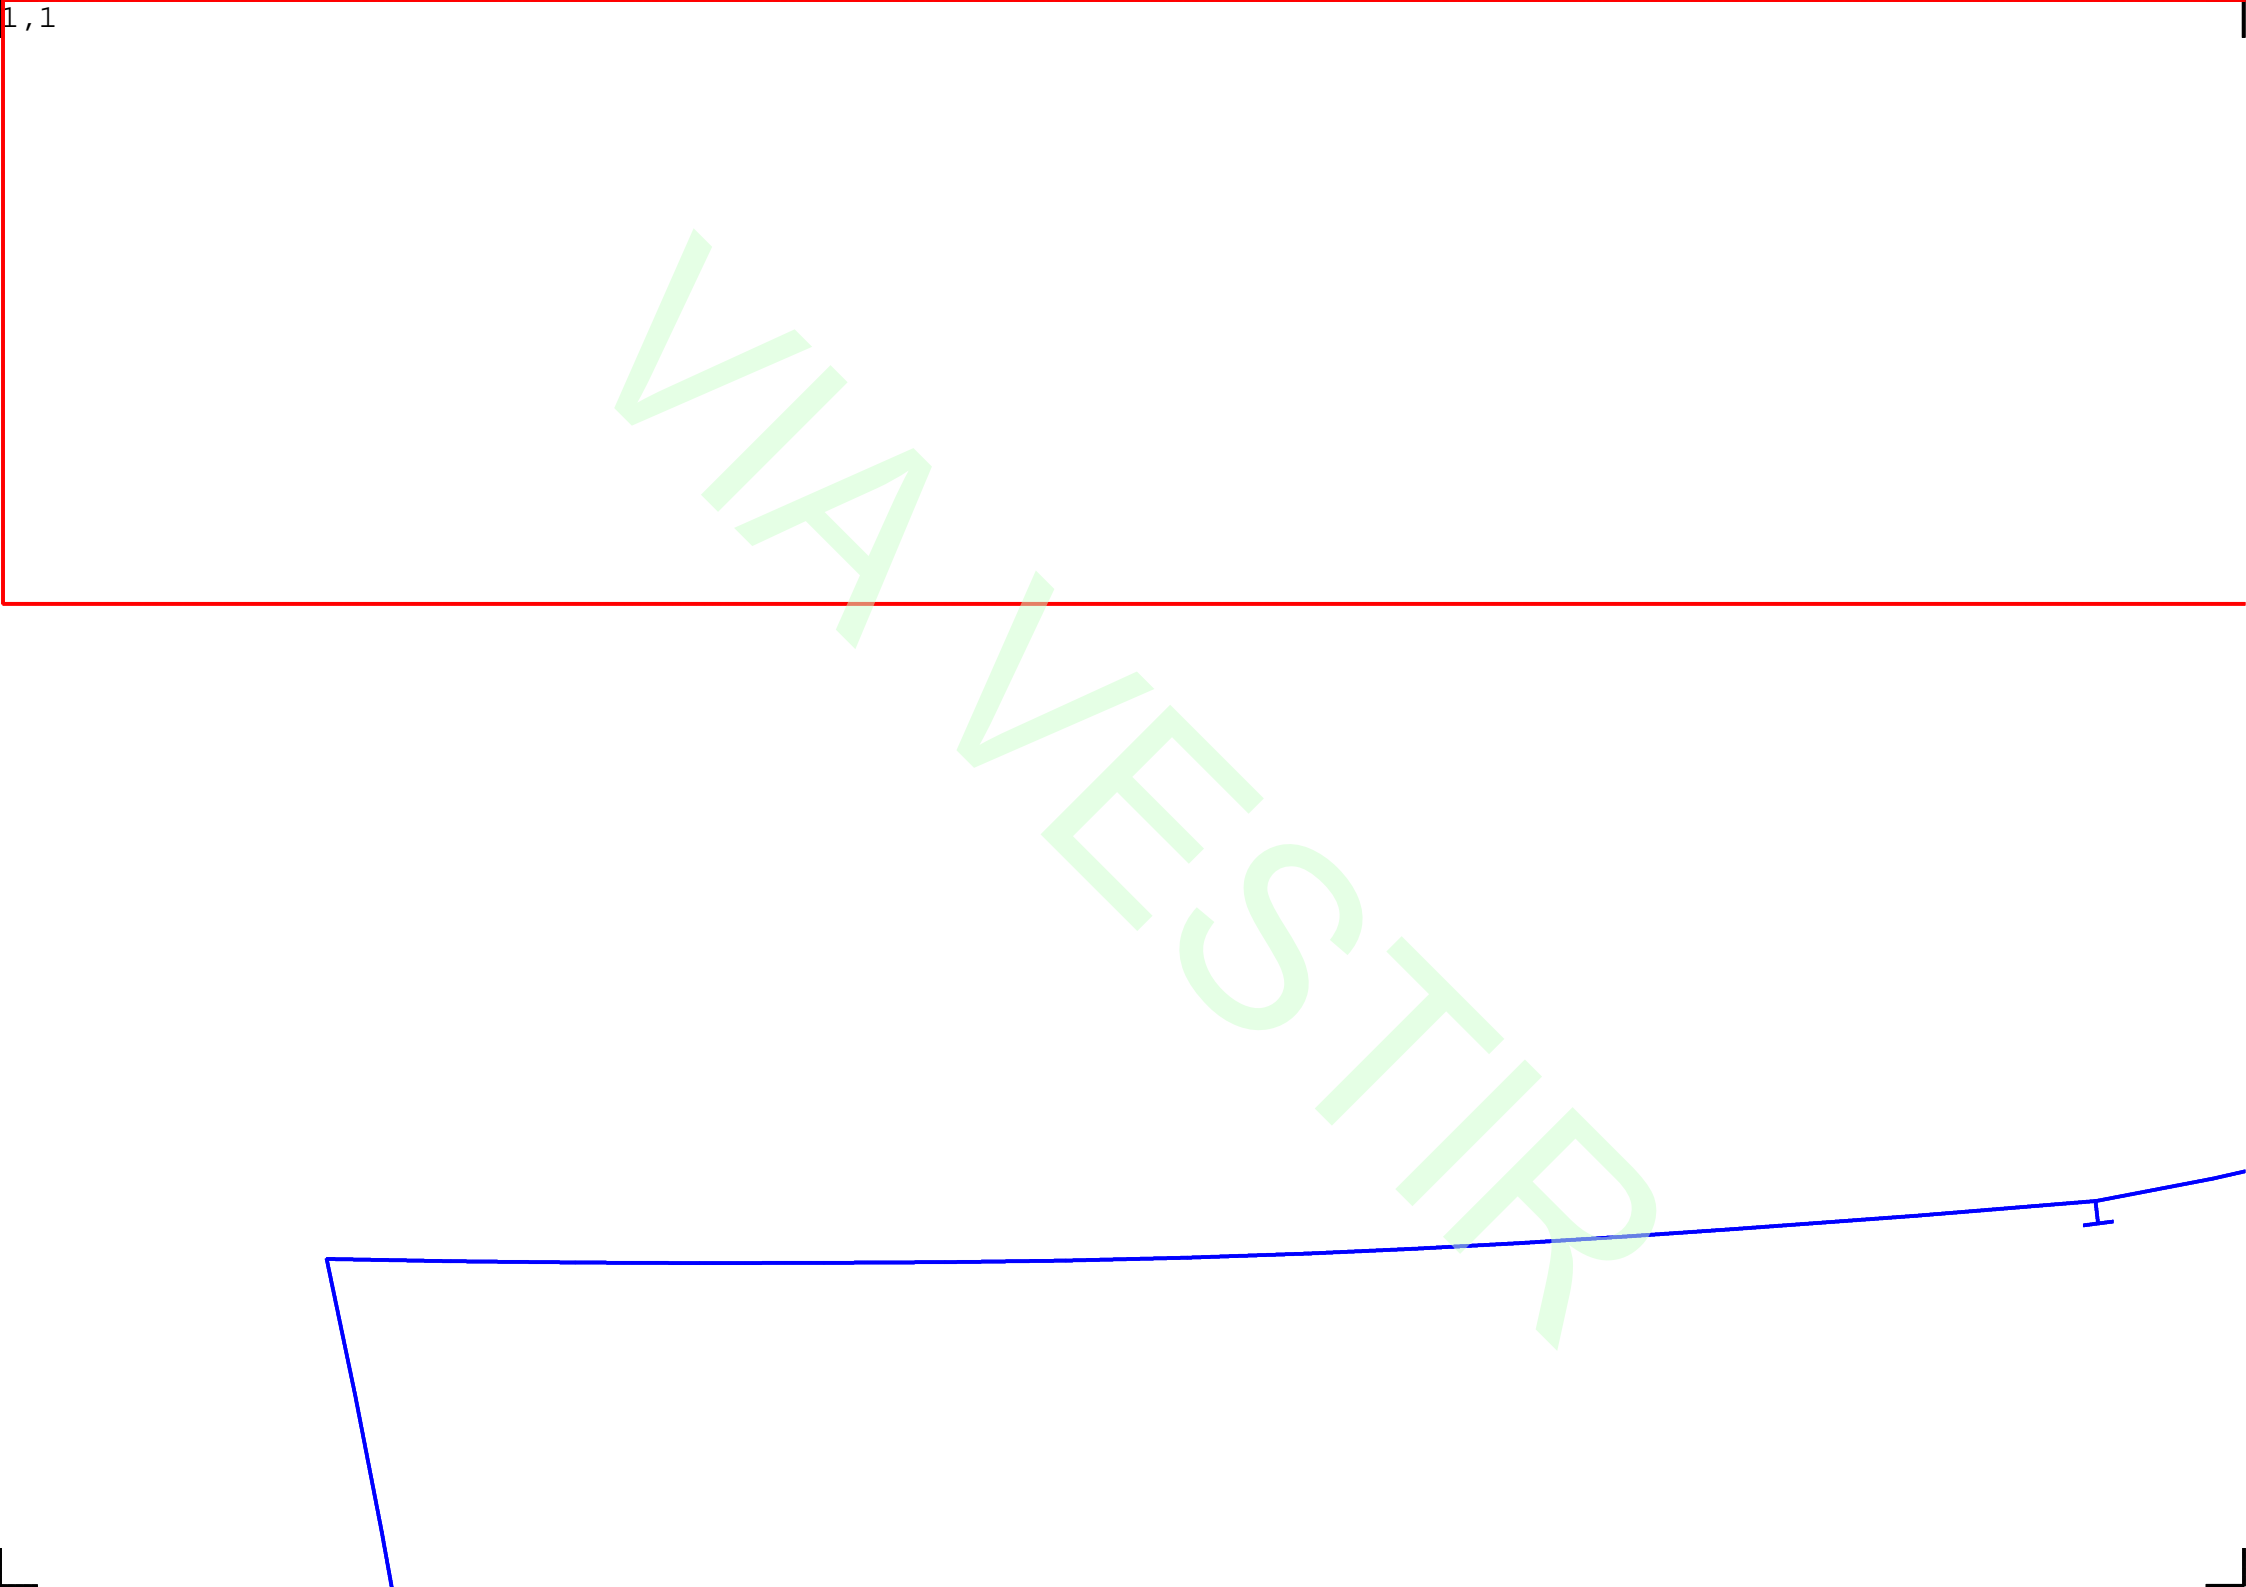

Para consumir menos folhas de sulfite os moldes estão agrupados:
